SPECIFICATION

201 hp

2.4 LITRE TURBO
PETROL

6-speed

MANUAL OR
AUTOMATIC

The P22 is the double-cab pickup from Dongfeng Automobile Co. (DFAC), Dongfeng's light commercial vehicle maker. In Mexico it has a Mitsubishi 2.4 litre turbo petrol with 201 hp and 236 lb ft (about 150 kW and 320 Nm), a 6-speed manual or automatic, and 4x2 or 4x4. It carries 900 kg, tows 2,500 kg and is 5,330 mm long. A diesel P22 is sold in Ecuador.

01

Turbo petrol

A Mitsubishi 2.4 litre turbo with 201 hp at 5,200 rpm and 236 lb ft at 2,400 rpm, Euro VI compliant in Mexico.

02

Carries and tows

900 kg of payload, 2,500 kg of towing and a 72 L fuel tank.

03

4x2 or 4x4

Rear-wheel drive or four-wheel drive, with a 6-speed manual or a 6-speed automatic.

04

Safety

ABS with electronic brake distribution, stability control, dual front airbags, tyre pressure monitoring and a rear-view camera.

05

Comfort

A touchscreen (9 inch Android in Ecuador), digital air conditioning, cruise control, leather upholstery and Bluetooth.
