WHEELBASE

The Shine Max is Dongfeng's mid-size sedan: 4.8 metres long, with a 2,770 mm wheelbase for a roomy cabin and a 506 L boot. The Petrol uses a 190 hp 1.5 turbo with a 7-speed dual-clutch and paddle shifters, and Dongfeng's export range also lists a self-charging Hybrid. Jamo audio, suede trim and a panoramic sunroof give the cabin a premium feel.

01

Turbo performance

A 1.5 turbo with 190 hp and 300 Nm drives through a 7-speed dual-clutch with paddle shifters.

02

Hybrid option

Dongfeng also lists the Shine Max with a 1.5 turbo and HD120 hybrid drive that charges itself as you go. Its figures are not yet published.

03

Mid-size space

4,797 mm long with a 2,770 mm wheelbase, and a 506 litre boot.

04

Premium touches

Suede interior trim, a panoramic sunroof and full LED lights; the top trim adds ventilated, massaging front seats.

05

Safety tech

An around-view monitor, plus blind-spot detection, rear cross-traffic alert and door-open warning on the top trim.

Comes as: Petrol · Hybrid
