

DONGFENG • COMPACT SEDAN • PETROL OR TURBO PETROL

SHINE SEDAN

A sporty compact sedan with a 454 L boot and a choice of two petrol engines.

194 hp

PEAK POWER, 1.5 TURBO

6.2 L/100 km

FUEL USE, 1.5
LITRE MANUAL
(WLTC)

454 L

BOOT

13-inch

TOUCHSCREEN

The Shine Sedan is a sporty compact four-door with a separate 454 L boot. It shares its name with the Shine GS SUV we already sell, but this is the sedan: lower, sleeker and made for the daily commute. Choose an economical 1.5 litre or a 1.5 turbo with 194 hp, both with a 6-speed dual-clutch automatic in the Saudi specification.

01

Choice of engines

An economical 1.5 litre with 123 hp, or a 1.5 turbo with 194 hp and 300 Nm, both with a 6-speed dual-clutch automatic (Saudi specification).

02

Strong body

Built on the CMP platform, with hot-formed steel of up to 1,500 MPa making up 82 percent of the structure.

03

Driver-assist sensors

Ultrasonic and millimetre-wave radars watch all round the car for the driver assistance systems.

04

Sporty cabin

Racing-style integrated seats, a game-style multifunction steering wheel and a 7-inch digital cluster.

05

Big boot for a compact

A 454 litre boot, generous for a compact sedan.

06

Connected

A 13-inch touchscreen with phone connection and Bluetooth.
