CHARGING, 20 TO 80
PERCENT

The Passion L is the executive version of the Passion, sold in China. It is longer, at 5,125 mm on a 3,010 mm wheelbase, with a tall upright grille that gives it a formal face. It comes only as a plug-in hybrid, with a bigger 63 kWh battery good for 410 km on electricity (CLTC), and all four outer seats are heated, ventilated and massaging.

01

Formal presence

A tall upright grille and a long 3,010 mm wheelbase give it the stance of an executive car.

02

Spa seats front and rear

All four outer seats have 10-point massage, heating and ventilation. The front passenger seat reclines to a zero-gravity position.

03

Big-screen cockpit

A 16.1-inch 3K centre screen and a 39-inch augmented-reality head-up display.

04

Driver assistance with lidar

Huawei driver assistance with a 192-line lidar and 29 sensors, including help with parking.

05

Smooth and agile

On the Ultra, air suspension with 65 mm of height adjustment and CDC damping, plus independent rear-wheel steering.

06

Charges in 12 minutes

An 800 V system with 5C charging takes the battery from 20 to 80 percent in 12 minutes.
