4.5 s

0 TO 100 KM/H, AWD

584 L

BOOT, PLUS 80 L
FRONT BOOT

The Passion S shares a name with the Passion sedan but is a different car: a five-metre electric coupe SUV, sold in China. It is electric only, on an 800 V platform, with up to 740 km of range (CLTC) and charging from 20 to 80 percent in about 10 minutes. Inside, both front seats massage, with zero-gravity front seats as an option, and the boot holds 584 L, with another 80 L under the bonnet.

01

Slippery shape

Frameless doors, 21-inch wheels as standard and a drag coefficient of 0.24.

02

Four lidars as standard

Huawei driver assistance with four lidars and 33 sensors on every version.

03

10-minute fast charge

An 800 V platform and 5C charging take the battery from 20 to 80 percent in about 10 minutes.

04

Massaging front seats

Both front seats have 10-point massage, with zero-gravity front seats available as an option, and the rear seats fold flat into a bed.

05

Room for gear

A 584 L boot that grows to 1,744 L, an 80 L front boot and 41 storage spaces.

06

Concert-hall sound

A 23-speaker VOYAH Sound system as standard, or an optional 27-speaker system with 4D rhythm seats.
