DONGFENG ZNA PALADIN · THE FIGURES

168 kW	215 mm	32° and 27°	748 L
PEAK POWER, 2.0 LITRE TURBO PETROL	GROUND CLEARANCE	APPROACH AND DEPARTURE ANGLES	BOOT SPACE

The ZNA Paladin, also known as the Oting, is a body-on-frame off-road SUV with seats for five. A 2.0 litre turbo petrol engine drives through an 8-speed automatic, and the four-wheel-drive version adds part-time 4WD with electronic locking differentials front and rear. Its 2,850 mm wheelbase gives the rear seats generous legroom, so it works as a family car as well as a trail truck. The Paladin 4WD is on order for Jamaica.

01

Turbo petrol, 8-speed automatic

A 2.0 litre turbo petrol engine with 168 kW and 360 Nm, driving through an 8-speed automatic.

02

Proper four-wheel drive

Part-time four-wheel drive with electronic locking front and rear differentials and a tank turn mode on the 4WD UPR.

03

Modes for every surface

Seven driving modes, including snow, mud, sand, sport and eco.

04

Off-road geometry

215 mm ground clearance, with a 32 degree approach angle and a 27 degree departure angle.

05

Room in the back

A 2,850 mm wheelbase and 1,828 mm from the accelerator pedal to the rear hip point give generous rear legroom.

06

Comfort on the top trim

Heated front seats, a power sunroof, an 8-way power driver's seat and a 13-inch screen with 360-degree and transparent-chassis cameras on UPR.
